Work History

2018-10 -
Current

Math, Physics, and Chemistry Tutor

Freelance, Ankara, Cankaya

I am a math, physics, and chemistry tutor for middle school and high school students.

2021-07 –
2021-08

Mineral Processing Intern

General Directorate of Mineral Research and Exploration (MTA), Ankara, Cankaya

I was an intern at mineral processing department of MTA. I was part of many procedures of the beneficiation methods. Also, I had to accomplish a unique personal study in which I conducted a froth flotation experiment in the laboratory and started with a raw copper sample. Then, I completed all the steps until it was ready for the grade analysis.

Education

2013-09 –
